

Excellent job presenting this course. It certainly expanded my knowledge level of Microsoft Project. Grant Rae - Stuart Olson Dominion Con. MS Project Jan 15 & 16, 2014 – Winnipeg

Microsoft Project will change my operations to a much more efficient and organized office. Dan Boisjoli - Mayers Contract Interiors c/o Winnipeg Con Assoc. MS Project Jan 20 & 21, 2014 – Winnipeg

All information presented was extremely helpful. I was not aware prior just how powerful Microsoft Project is. Greatly appreciate the pace and information provided. James Graumann - Stuart Olson Dominion Con. MS Project Jan 15 & 16, 2014 Winnipeg

The details covered will allow me to better utilize this program. Excellent! Karen Richardson - Stuart Olson Dominion Con. MS Project Jan 15 & 16, 2014 Winnipeg

Before completing this course I had never used Microsoft Project. I am leaving confident in my ability to use this software. Shantara Condie - Microsoft Project Oct 22-23, 2013 Mississauga

I enjoyed this course, felt like I learned a ton of new information. Once, I can practice what I've learned it should prove extremely valuable. Kyle Gray - Bertram Construction Sep 30 - Oct, 2013 Mississauga

The course was a great learning. There was enough information provided to use the program for basic schedules and very more in depth schedules depending on how your company chooses. I am pleased with the knowledge I obtained and enjoyed the process. Megan Ralph - Elan Construction MS Project Sep 26th - 27th, 2013 Calgary

Great Application of real world scenarios John Souleles - Marsh Tittlemore Architects MS Project May 23 & 24th, 2013 Edmonton

Excellent - I like how we covered Risk Management and other Project Management concepts, and not only focused on the software Carlos Deleon - Maple Reinders MS Project June 25th & 26th, 2013 Mississauga

I have been using this software for one year and have realized that I was barely touching the surface. I will be able to better set my files and present my work at meetings. Great Job! Thanks!

Frank Landry - M.A.P. Earthworks Microsoft Project May 23 & 24, 2013
